

My Dear Sponsor,

I appreciate very much your love and concern for me. Thank you so much for giving me the opportunity to experience this Kairos weekend. I will never forget this; you can be sure! This has been one of the most awesome experiences of my life, and I have been filled with an overwhelming passion - not only to believe in Christ, but to serve Him with all of my heart.

In the past, I have always allowed my shyness to hold me back. Because of that, speaking from my heart to others simply terrified me! Praise God, this weekend helped to crack that shell.

Thank you!

Your Brother,

Rusty Welch
